Dear Mr. Williamson:

Re: Water Obstruction and Encroachment Permit No. E38-195

As you are aware, Transcontinental Gas Pipe Line Company, LLC has several permit applications pending with the Pennsylvania Department of Environmental Protection (DEP) in conjunction with the proposed construction of the Atlantic Sunrise Pipeline.

While the public may submit comments to DEP by May 31st, we believe that a public hearing would provide a further opportunity for residents to give feedback on the permit application.

Please consider this letter as a formal request that DEP conduct a public hearing, in Lebanon County, on Water Obstruction and Encroachment Permit No. E38-195.

Thank you for your consideration.

Sincerely,

Board of Lebanon County Commissioners

Robert J. Phillips William E. Ames Jo Ellen Litz
