

GRANTS APPROVED AND IN EFFECT

Grant Title	Amount Awarded	Local Match	Grant Year	Narrative
Treatment-Based (Crossroads) County Intermediate Punishment Program	\$539,073	None	7/01/15-6/30/16	This grant award enables the County to continue two important components of the County's Intermediate Punishment (IP) Plan: Electronic Monitoring/House Arrest of eligible offenders and the highly successful Renaissance Crossroads program for offenders with drug and/or alcohol addictions. Crossroads is an intensive 34-month in and out-patient treatment program. Lebanon County's IP Plan is designed to implement effective alternatives to incarceration and, in the process, reduce the local prison population.
Rights and Services Act (RASA)	\$105,589.00	None	01/01/2015-12/31/2016	Maintains Lebanon County's Victim Witness Program in the District Attorney's Office. Services provided include accompaniment, case status, court notifications and orientation, advocacy, return of property, release and transfer notification, restitution, rights notification, and witness management. RASA funds are used to pay for salaries and benefits of staff providing these services, as well as for staff trainings and supplies.
Mental Health First Aid Training for Law Enforcement	\$14,508.00	None	4/1/14-3/31/16	Provides funding to train law enforcement personnel to recognize the signs of mental stress/illness in persons, and to render appropriate assistance until professional help arrives.
PCCD Technical Grant	\$1,365.00	None	5/1/15-3/31/16	Funds used to pay for classified and display ads as part of ongoing suicide-prevention campaign.

Strategic Planning	\$9,851.00	None	5/1/15-3/31/16	Assists the CJAB in preparing an Offender Reentry Plan as part of an overall Strategic Plan for 2015 and beyond. Funds used to hire a consultant to guide the newly formed Reentry Coalition through this planning process.
Naloxone for First Responders	\$5,950.00	None	7/1/2015-6/30/16	Funds will be used to purchase naloxone kits for law enforcement personnel. Naloxone is a life-saving drug used to reverse the effects of a heroin overdose
