

List of Important LEBCO MPO Regional Projects Implemented from Previous TIPs

- US Route 422 Congested Corridor Improvement Program (CCIP) Project (MPMS #75790)
- Schaefferstown Bypass Project (MPMS #20215)
- 9th & 10th Streets Bridges Project (MPMS #20400)
- Lebanon Valley Rail-Trail (LVRT) Phase 5 in the City of Lebanon (MPMS #88546)

List of Major LEBCO MPO Projects from the Previous TIP That Experienced Significant Delays

- Schaefferstown Bypass Project (MPMS #20215) ... it's now completed, but construction was delayed in the past due to environmental clearance, right-of-way acquisition and ongoing utility (regional water and sewer project) work in the area.
