

OFFICIAL SPECIMEN BALLOT

LEBANON COUNTY COMMONWEALTH OF PENNSYLVANIA

VOTING WITH THE ES&S IVOTRONIC TOUCH SCREEN MACHINES

1. **Activate Ballot**

A pollworker will activate your electronic ballot. After reading over the instruction screen, press **“Go To Ballot”** at the bottom of the screen to begin voting.

2. **Select Candidate**

To select your candidate, touch anywhere in the white box surrounding the candidate’s name. To de-select, touch the box again. The iVotronic voting machine will not allow you to over-vote an office.

3. **Review Ballot**

After completing the last ballot page, touch **“Review”** and carefully read the review screens. To change or make a new choice, touch anywhere in the white box surrounding the candidate’s name or the office’s title, and the office contest will reappear. You may then de-select the candidate and select a new one of your choice. Touch **“Review”** to return to the review screens.

4. **Cast Ballot**

After reviewing the last review page, the **“VOTE”** button at the top of the voting machine will begin to flash red. When you are satisfied with your selections press this vote button or the cast your ballot button on the screen; once selected a confirmation screen will appear. To make a change, touch **“Return to Ballot.”** To cast your ballot touch **“Confirm”** on the screen or the red **“VOTE”** button at the top. When the screen reads **“Your ballot has been cast. Lebanon County thanks you for voting”** it means that you have properly cast your ballot.
